2. The Secretaries (Housing),  
Andhra Pradesh and Karnataka

**Sub: Differences in the reporting between the Monthly Progress Report (MPR) and Management Information System (MIS) under Indira Awaas Yojana.**

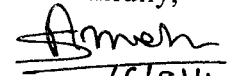

Sir,

I am directed to forward herewith a statement showing the number of houses sanctioned during the 2010-11 and 2011-12 as per monthly progress report uploaded by DRDAs and showing the number of houses sanctioned as per MIS Software. A comparative study of both the statement shows that the number of houses sanctioned as per MPR and as per MIS do not tally with each other. It seems that the houses sanctioned are not being regularly uploaded on the MIS software.

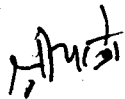

The matter was also discussed in the State Coordinating meeting held on 28<sup>th</sup> July 2011 in Krishi Bhawan, New Delhi with the State Representatives but action by implementing agencies in uploading the data in the MIS as per enclosed statement has been found to be lacking.

You are, therefore, requested to advise all the implementing agencies in your State to not only upload the MIS data regularly but also ensure that it tallies with MPR. In case users face any problems, then Senior Technical Director can be contacted at [madhuri@nic.in](mailto:madhuri@nic.in).

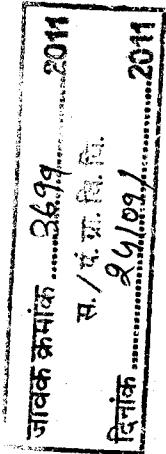

Yours faithfully,
